

ACTIVITY FEE FORM (to be completed by parent)

Brandywine Heights Area School District Activity Fee Guidelines

1. The fee applies to Brandywine Heights students in grades seven through twelve, as well as any homeschooled students participating in our activities.
2. The activity fee of sixty dollars (\$60), per student, (a one-hundred and eighty dollar (\$180) maximum per family) will be collected at the beginning of the school year or at such time during the school year when a student wishes to participate in an activity. There will be no discount for a fee collected after the school year begins. This fee will be collected only once throughout the duration of the school year, regardless of the number of activities the student chooses to participate in.
3. Students who are enrolled in the free and reduced breakfast/lunch program will have their fee modified as follows: reduced meal students thirty dollars (\$30), free meal students no charge.
4. The fee will apply to all interscholastic athletics at the middle and high school levels. **The payment of the fee does not guarantee a student placement on a team nor a specific amount of playing time.** Payment of the fee needs to be made prior to trying out for the team or activity. Should the student not be selected to participate in the team or activity, a refund of the fee will be made upon request. Refunds would be made by the Business Office.
5. High school and middle school clubs and other extracurricular activities, grades 7 through 12, for which there is a paid advisor will require the fee for participation. Activities for which there is no paid advisor and therefore has no cost to the district would be exempt from the fee. National Honor Society, student council and Key Club membership are exempt from the fee. Credit bearing courses are exempt from the fee, but activities outside of the in-course work are subject to the fee. An up to date listing of activities subject to the fee will be provided to students at the beginning of the school year.
6. Please submit the completed activity form and payment (cash or check) to the high school athletic office. Checks should be made payable to BHASD.
