

Creating a Teacher Tube Account and Hosting Videos to Teacher Tube

1. Go to www.teachertube.com
2. Click “Sign-in” then “Register Now”

3. Fill in all the appropriate info to register.
4. Now log into the newly created account.
5. Click “Upload” then “Select File.”

6. Choose the video from your folder that you want to upload, then click “Next.”
7. Fill in the required fields, then click “Next.” Wait for the file to process.
8. The video will appear once it is done processing.
9. Copy the URL so that you can later embed it on your teacher page.
10. The last step is to click “Publish.”
