SECTION: PROPERTY

TITLE: FACILITIES USE DURING  
WEATHER CLOSINGS

ADOPTED: May 3, 2010

REVISED:

	<b>705.1. FACILITIES USE DURING WEATHER CLOSINGS</b>
1. Purpose	The Board wishes to ensure the safety of students, staff and participants in activities held in the school district facilities on days when weather conditions require the closing of school for the day or the early dismissal of students.
2. Authority	The Board governs the use of school district facilities for both school and community purposes.
3. Delegation of Responsibility	The Superintendent shall be charged with carrying out the guidelines of this policy and developing the necessary forms and documents for its implementation.
4. Guidelines	<p>It shall be the policy of the Brandywine Heights Area School District that when school is closed or students are dismissed early as a result of weather related conditions all activities scheduled for the school district facilities shall be cancelled or postponed and students of the district shall not travel to other schools or facilities for activities on those days.</p> <p>Any exception to this policy shall only be made by the Superintendent and then only under exceptional circumstances.</p> <p>The Application For Use Of School Facilities form shall contain a statement outlining this policy thus informing all organizations of the potential for cancellation of activities.</p>
