

Brandywine Heights Area School District

BUSINESS OFFICE – 200 WEST WEIS ST, TOPTON, PA 19562

SCHOOL BUS WAIVER – 2018-19 SCHOOL YEAR

As part of the school district's many cost saving efforts, we are asking parents/guardians to notify the school district if your child/children will not be using bus transportation next school year so we can plan our bus routes and bus seats accordingly. If your child/children will not be using bus transportation throughout the year, due to the student driving to school, carpooling with neighbors, etc., please complete and sign the form below certifying that you are waiving your child/children's seat(s) on the school bus for the current school year.

High School students who are assigned to a bus but choose to no longer utilize the transportation at any time throughout the school year, may receive a free parking permit after registering their vehicle in the High School office. Please note that if your child/children will be driving to school, it is recommended that other arrangements be made in the event of inclement weather that impacts driving conditions.

NOTE: If your child/children will occasionally ride the school bus, please do not complete this waiver. Only complete and sign if your child/children will not ride the school bus at any time during the course of the school year. Should you have any questions, please call the Transportation Office at 610-682-5143.

Please return this form via email to julbeh@bhasd.org or mail to the Business Office, Attn: Transportation Director at the address listed above before August 3rd, 2018.

Please print information in blanks below, sign, and date form

I, _____ parent/guardian of the child/children listed below, hereby notify the district that my child/children will not be using bus transportation to or from school at any time during the course of the 2018-19 school year. I understand that by signing this form, a seat will not be reserved on the bus for my child/children.
