WAYS TO PAY FOR MEALS

POINT OF SALE SYSTEM

The Brandywine Heights Area School District utilizes a Point of Sale payment system for all school meals purchased in the district's cafeterias. NUTRIKIDS is an automated cafeteria check out system. A student will go through the lunch line, choose their food items, and when they proceed to the register, they will simply enter a pin number (Student ID #) or choose to use cash. Every student will have their own personal meal account based on their current student ID number. Students can access their accounts on the PIN pads located at every register. Staff will help students become familiar with the process the first few weeks of school. If your child should forget their PIN number, a food service staff member can access it through the register. Free/Reduced lunch information is securely contained within the system and the meal will be processed just as it is for all other students.

CHARGING POLICY

Our children are our most valuable resource and we want each and every one of them to have a proper nutritious lunch. No matter the ability to pay, all students entering our cafeterias will be offered a lunch of their choice with no questions asked regardless of the status of their lunch account. However, they are prohibited from buying any extras such as ice cream, bags of chips or additional beverages. Parents/guardians will be notified if their child's lunch account becomes negative and are still responsible for paying back all outstanding balances. The district has revised its meal charging procedures which can be found online at <http://www.bhasd.org/departments/food-services/meal-charge-procedure>. These measures are in accordance with the PA Act 55 and Section 1337 of the PA School Code. The Brandywine Heights Area School District administration and school board have established policy 808 - Food Services, which contains information on school meal charging and the collection of unpaid meal charges. The policy can be found on the district's website at <http://www.bhasd.org/school-board/school-board-policies/>.

PREPAYMENT OPTIONS

A prepaid account for all students allows parents to deposit money in your child's account, in any amount, at any time, without concerns about giving their student the exact change every morning. There are two methods for depositing money into a student's account.

1. Prepay Online: Deposits can be made using a credit, debit or electronic check to a student account from the district's website: <http://www.bhasd.org/departments/food-services/my-school-bucks/> and clicking on the mySchoolBucks.com link. Details about the program can also be found at the previous listed link

2. Check or Cash: Deposits can be submitted using check or cash in a pre-labeled envelope available in each school cafeteria. We recommend that parents send in checks rather than cash. If there is more than one student in a family, one deposit envelope may be used as long as you list the ID numbers of each student and tell us the amounts to deposit to each account. Example: A \$20.00 check.....Billy Doe – Grade 4 #1111 \$10.00, Judy Doe – Grade 6 #2222 \$10.00

Checks are to be made payable to Brandywine Heights Area School District Cafeteria Account. Please include your child's PIN (student ID #) on the check. A secured lock box located in each school cafeteria for students to place deposits in sealed pre-labeled envelopes. Envelopes with a deposit must be placed in a secured lock box which is located in the cafeteria of each building. Your child's ID # is private and should not be shared, so please make sure this information remains inside a sealed lunch envelope.

FREE AND REDUCED BREAKFAST/LUNCH PROGRAM:

In recognizing the need for helping meet the nutritional requirements of children and to comply with Public Law 91-238 and the regulations of the United States Department of Agriculture, the Brandywine Heights Area School District makes available to children of eligible families, a reduced price or free lunch. An income scale is used to determine eligibility of children for inclusion in the program. Please check on line at <http://www.bhasd.org/departments/food-services/free-reduced-price-breakfast-lunch-program/> for an application that must be filed each year unless you are notified by the school district of your eligibility. For more information please call the Food Service Department at 610-682-5141.
