

## Back to School Supplies

The following items are recommended school supplies which parents can provide for your children at the start of school to help offset the district cost of purchasing these items. The cost of school supplies is drastically reduced at back to school sales offered by companies in the summer compared to the cost which the district pays for a similar item. It is not mandatory and all supplies will be provided to students. We thank you for your support – to help this process in identifying back to school items, a small list was created for each school building/grade level below.

### ELEMENTARY SCHOOL

#### **Kindergarten**

4 Elmers (.77oz) glue sticks  
1 box – 8 or 16 pack crayons  
1 box – washable markers 8-10 count  
1 standard sized pencil box
