Purpose

The Board recognizes that district facilities must be maintained and operated in a condition that is safe for students, staff and visitors.

Authority

The Board directs that a district-wide safety program shall be maintained to ensure a safe and secure environment for all students, staff and visitors as well as to protect district buildings, equipment and property. The safety program shall provide: instruction for students and staff in safety and accident prevention; protective devices where they are required for safety; and suitable and safe equipment necessary for the conduct of the educational program and operation of the schools.

Delegation of Responsibility

The safety committee shall review accidents/incidents and shall provide the Superintendent with recommendations to improve safety district wide.

The Superintendent or designee shall:

1. Ensure curriculum to instruct students in safety and fire prevention.[\[1\]](#)
2. Provide required drills to instruct students in safety procedures.[\[2\]](#)[\[1\]](#)
3. Review and evaluate annually district safety rules and plans.

Administrators shall inform all staff and students of school safety rules at the beginning of the school year.
