

## Back to School Supplies

As we begin to prepare for the upcoming school year, we have evaluated our list of requested school supplies. This process has been completed in an effort to lessen the financial impact of purchasing supplies for families, continue to be cognizant of our environment and paper usage, and, specifically in relation to the COVID-19 Pandemic, to eliminate shared supplies to reduce the amount of touchpoints throughout the school to help support the health and safety for all of our students and staff.

Being that the cost of school supplies is drastically reduced at back to school sales offered by companies, we are recommending the following items as school supplies, which parents can provide for your children at the start of school. This list is not mandatory and all supplies can be provided to students. We thank you for your support – to help with this process, we have created a list of items below. Please note in parentheses after the supply list item is the applicable grade levels.

### Suggested Supplies

- # Glue Sticks (K-5)
- # Crayons (K-5)
- # Markers (k-5)
- # Colored Pencils (K-12)
