

# College Night for Parents & Students

**Brandywine Heights  
High School**

Please join us for a panel discussion about college admissions and the financial aid process.

This is not a PowerPoint topic presentation. Instead this is an open forum where parents & students can discuss any topic about college admissions or financial aid and get honest, unbiased answers to their admission questions.

We will have Admission Representatives from Kutztown University, Alvernia, Cedar Crest, Penn State—Berks and RACC present. Since these schools represent Division I, II & III schools, they will also be able to field questions relative to NCAA and sports. PHEAA will also be attending to answer questions about Financial Aid, State Grants, and how to pay for post-secondary schooling.

This is our 20<sup>th</sup> annual college night event. Brandywine continues to offer this program to parents and students of college bound students in grades 9 to 11. We encourage parents along with their child to join us for this very informative Google Meet.

**Date: March 3<sup>rd</sup>, 2021**
